Kensafe Limited.

Kensafe Training & Driving School.
For Competent and Safe Driving

29th September, 2017

Dear Sir/Madam,

TO WHOM IT MAY CONCERN.

RE: APPLICATION FOR INDUSTRIAL ATTACHMENT

KenSafe Limited provides professional Health & Safety Training & Consultancy services to Companies and Multi National Corporations to Government Departments. We also provide Construction Machinery Operator Training courses to the Construction Industry under Kensafe Training & Driving School.

This is to certify that **Mr. Francis Masai Masai** of I.D No. **28669937** was trained by our Institution during the month of May – June as a **Excavator Operator**.

It is in this regards that the Institution wishes to recommend **Mr. Francis** for a **One month** attachment to enable him gain practical skills in an Industrial setup. We believe the experience he will gain will be valuable for his future career as a Plant Machine Operator.

Any consideration and support given to him is highly anticipated and appreciated.

Yours faithfully,

Edith Kananu
Office Manager
Kensafe Ltd
